Subject: Re: Procedural contact from Richard Whitt, Esquire on 2-5-21 regarding DN 2019-224-E and 2019-225-E

Memo to the Docket Files:

On February 5, 2021, I received a procedural telephone call from Richard Whitt, Esquire, representing the South Carolina Solar Business Alliance. Today, February 5, 2021, is the pre-filing deadline for testimony and exhibits from "All Other Parties" in the two Duke IRP Dockets noted above. Mr. Whitt wanted to make sure that there was not a 5 pm deadline today for pre-filing. After discussion with David Stark, Esquire, and examination of the DMS, I determined that there was not a 5 pm deadline for pre-filing today, and I so informed Mr. Whitt. The call then ended.

Thanks and Regards,

David Butler
